

MOURN LOSS OF PATRIOT

"Be doers of the word, and not hearers only, deceiving yourselves." JAMES 1:22.

Elizabeth Dilling Stokes was indeed not just a hearer of the word. She was a doer. She ranks high on the list of outstanding patriots active since the advent of the New Deal.

Daughter of a Chicago physician father, she completed her schooling in Chicago University specializing in French. Music and drama were among her talents. She became an accomplished concert harpist and for many years presided over the Chicago Harpist Society. An author, lecturer and world traveller, she and her husband visited Europe often, and crossed North Africa twice by automobile. She visited the Soviet Union and Spain alone.

Shocked beyond words on witnessing the diabolical anti-Christian character of the Soviet regime in her 1931 visit (Soviet Government friends took her behind the Iron Curtain) she determined to learn more. She visited Spain in 1938, the civil war at its height, taking pictures throughout of wrecked churches and convents, even visited the battlefield in a camouflaged plane for a glimpse of Franco's effort to push communism out of Christian Spain.

Haunted by vivid memories of Spain and USSR she dedicated herself to writing, research and lecturing. Without doubt she ranks among the greatest researchers in this field. Like Henry Ford, she pinpointed the real cause of world unrest and disorder, THE INTERNATIONAL JEW and his Talmudic filth. Her main works, THE RED NETWORK, THE OCTOPUS, ROOSEVELT'S RED RECORD and PLOT AGAINST CHRISTIANITY stand alone, masterpieces all. Three National Americanism Chairmen of the American Legion recommended her RED NETWORK for accuracy, as did the NATIONAL SOJOURNERS and the ARMY AND NAVY REGISTER. Mrs. Dilling's coast-to-coast lectures were sponsored by the American Legion and other patriotic Christian groups.

In 1936, Mrs. Dilling testified before the Senate Commission on Radicalism in Springfield and Chicago, Illinois in a three-hour closed hearing offering irrefutable testimony. She appeared before the Senate Committee on confirmation of Felix Frankfurter, presenting photostatic copies documenting his twenty year Red record. She has never been sued for libel, nor has anything she has ever written or spoken been refuted. Perhaps the most amazing part of her career was her success in court. Successful libel suits were won against JEWISH SENTINEL, CHICAGO STAR, BILLBOARD. All were settled out of court.

Perhaps Mrs. Dilling's best legacy to posterity was the startling revelation chronicled over the years in her bulletins concerning Jewish perfidy and subversion of Christianity, especially the part the Jews played in the Reformation.

Mrs. Dilling was one of the thirty indicted in the now infamous Sedition Trial of 1942, often called the Moscow Purge Trial. This was of course a government plot to silence all who dared criticize FDR. The case was dismissed as a farce, and all indictments thrown out in 1947.

Mrs. Dilling had an impact on people of eminence; in every walk of life not excepting Congressmen. She was a constant source of information and assistance to a number of Senators who dared risk the wrath of Jews. No one will ever know the number of times votes were switched and enemy plans to subvert America defeated because a certain Senator paid a midnight visit to Elizabeth Dilling. A number of clergymen corresponded with her regularly. No doubt the vast amount of documentation she forwarded to the Vatican Council had a profound effect on many of the Hierarchy.

Elizabeth Dilling was a patriot, a real Christian and a sterling American. She was

a loyal friend of COMMON SENSE and we remain indebted to her for assistance on many occasions. Her admiration for the late Conde McGinley was profound.

COMMON SENSE has lost a friend and America one of its bravest crusaders. May her soul, through the mercy of God, rest in peace.

FOE OF COMMUNISM . . .

With the passing from this world of the dedicated and patriotic American citizen Elizabeth Dilling to reap her eternal reward in heaven, dedicated Christians all over the world will feel her loss. They know that a great Field General has been lost to their ranks.

Elizabeth Dilling, daughter of Dr. L. Kirkpatrick, physician and surgeon, of Virginian, Scotch-Irish ancestry, and of Elizabeth Harding descending from a long line of Anglican bishops, was married to Albert Dilling of Norwegian Lutheran ancestry. Mother of two children and active in Episcopal Church of which she was a communicant. Graduate of the Starrett School for Girls, Chicago Normal School; University of Chicago alumna and a pupil of the world's greatest harpist, Alberto Salvi.

Her writings include the famous "Red Network, a Who's Who;" "Handbook of Radicalism for Patriots" of which over 100,000 copies have circled the globe, unrefuted factually by friend or foe; "The Roosevelt Red Record and Its Background;" "The Octopus" and "The Plot Against Christianity."

During her lifetime Elizabeth Dilling has made good use of her God-given talents to ferret out in our country those unknown persons whose sole purposes were directed to destroy God, the home and country. As a result of her untiring efforts and startling disclosures of traitors, Elizabeth Dilling was successful in winning the interests of alerted patriotic Americans, Vice President Garner and Congressman Dies to form the House Committee on Un-American Activities.

The May 1, 1966 edition of the New York Times in reporting the death of Elizabeth Dilling qualified her to be a pre-war isolationist and a self-proclaimed enemy of communism. Throughout their story the following sub-titles appeared: "Attacked Mrs. Roosevelt," "Turned on Alma Mater," "Was Accused in 1943 of a Plot to Set Up a Nazi Regime." These sub-titles, no doubt, are intended to invite the attention of the admirers of Eleanor Roosevelt and sophisticated Presidents of Universities whose main ambition in these days is to give comfort to the cause of atheistic communism.

However Elizabeth Dilling has lived to see vindicated in post World War II days the wisdom of her stand for isolationism against those who were urging our country's par-

ticipation in the second European conflagration. Today the Christian world repents with leisure because of this second fatal mistake of siding with the enemies of Christ in a war against Christian countries. World Jewry, for the second time within the past two generations, has successfully involved the Christian to fight Christians.

Our country's involvement in World War II brought about the destruction of millions of lives of Christians and the strengthening of communism throughout the world. Our Christians have only to review the sad happenings and consequences of World War I and II to the Christian world to understand now that in 1940 our country was sorely in need of more persons with the understanding and courage of Elizabeth Dilling.

The New York Times for some singular reason failed to mention the latest work written and published by Elizabeth Dilling: "The Plot Against Christianity." This masterful work released to the public in 1964 gives evidence of a profound insight which she enjoyed regarding the hidden forces operating in the world to destroy Christianity. Into this last literary effort has gone a whole lifetime of study and research on the ancient Pharisees, the Babylonian Talmud adopted by the Pharisees, and the perpetuation of the sect of the Pharisees throughout the world to the present times. She has found and evaluated the writings of modern Talmudists who commented very boldly upon the application of their laws to the contemporary world.

This masterful work "The Plot Against Christianity" is Elizabeth Dilling's last testament given to the Christian world bequeathing to it all the knowledge that she gathered and possessed in a lifetime concerning the occult forces operating in the world since the time of Christ to destroy the Christian world. No one like Elizabeth Dilling has been able to present lucidly and convincingly that communism has been and is today the opiate offered to uninformed and misinformed helpless nations for their destruction.

The singular and priceless contribution given by this last work of Elizabeth Dilling is that it points out the varied forces operating in the world to destroy Christianity and gives as well the names of the operators behind the forces. The evidence adduced to prove the tie between the forces and the operators are so clear that there can be no ground for refutation.

The adroit method adopted by Elizabeth Dilling in establishing a definite relationship between the operative forces and the hidden masterminds is quick and direct. Elizabeth Dilling in order to determine with certainty who are the enemies of Christianity directed her research to the writings of the contemporary Talmudic Jews who make a virtue of their vanity and boastfulness. The very writings of the modern Talmudic pharisee, excerpts of which abound in this brilliant study "The Plot Against Christianity" do say that "Socialism is Jewish."

To our departed stalwart Christian worker and patriotic citizen Elizabeth Dilling, who has so ably revealed to the world that our modern Talmudic Jews are the creators of communism, go our prayers in suffrage of her dear soul that has toiled so faithfully in the vineyard of the Lord.

"Therefore, know my dear Christians, that next to the devil, you have no more bitter, more poisonous, more vehement an enemy than a real Jew, who earnestly desires to be a Jew."
